Explore selected botanical oils and create your own personalized blend to take home.

Self-Care Reset

A guided wellbeing session focused on simple skincare, mindful pauses and practical self-care habits.

The Art of Facial Massage

Learn simple facial massage techniques and how to incorporate them into your everyday skincare routine.

Format

- Available as a 2-hour or half-day experience.
- Themes and content can be tailored to your audience and event needs.
- Sessions can be hosted at House of Cosmetic Production or at your own premises.
- Pricing is available upon request.

Talks by Chrystallena Poulli

Wellbeing in the Everyday

A conversation about simple habits, consistency and making self-care more realistic in everyday life.

From Idea to CP Herbalist

Chrystallena shares the journey of building CP Herbalist, with insights on entrepreneurship, purpose and resilience.

Behind the Ingredient List

A practical introduction to skincare formulations, botanical ingredients and how to make more informed product choices.

Format

- Talks can also be combined with a CP Herbalist workshop or gifting package for a more immersive offering.
- Themes and content can be tailored to your audience and event needs.
- Sessions can be hosted at the House of Cosmetic Production by Chrystallena Poulli or at your own premises.
